

Notification of New Controller E2280

We would like to inform you that we are going to launch a new E2280 Controller as next-generation model of E2530 and E2550 Controllers. This is due to the change of specifications of electric components used in the E2530 and E2550 controllers. The New E2280 Controller is fully compatible with the E2530 and E2550 controllers. For more information, please see the attached file.

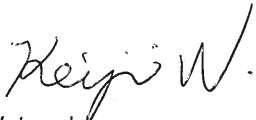

■Launch Date : **1st / November/ 2015**

If you have any questions, please feel free to contact us.

We appreciate your continued patronage of our products.

It is always our pleasure to serve you for your successful business.

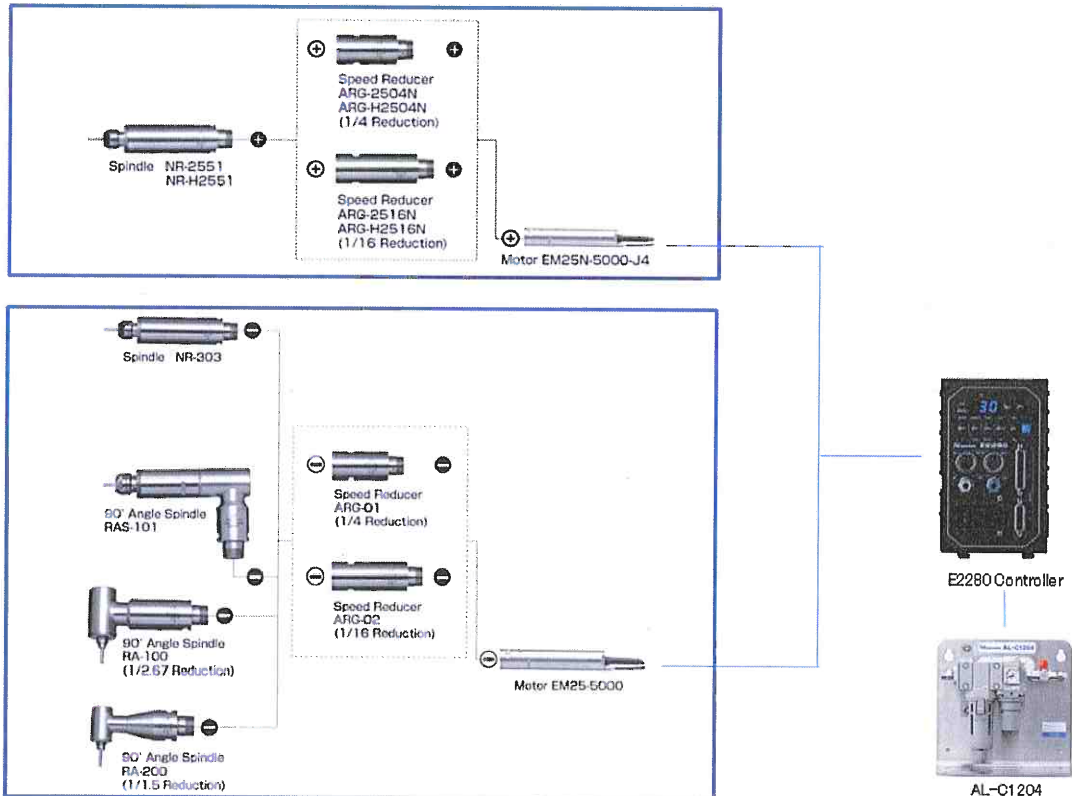

Sincerely yours,
